

Exhibition Grounds

-  General Commissariat
-  Information Center
-  Entrance
-  Conference Rooms
-  Convention Center

- Turning** (Red)
 - Lathes and automatic lathes (Halls 2, 12, 13, 14, 15, 16, 17)
- Milling · Flexible manufacturing** (Blue)
 - Fräsmaschinen / Bearbeitungszentren / Milling machines / Machining centres / Flexible manufacturing cells and systems (Halls 2, 12, 13, 14, 15, 16)
- Gear cutting · Sheet metal working · Forming** (Yellow)
 - Gear cutting and finishing machines / Planing, shaping, slotting and broaching machines / Sheet metal working machines / Lasers, Presses, Tube working machines (Hall 13)
- EDM · Additive Manufacturing** (Dark Blue)
 - Electroerosive and abrasive machines / Machines for additive manufacturing, materials for additive processes (Hall 12)
- Grinding · Tool grinding · Surface technology** (Orange)
 - Grinding machines / Tool grinding machines / Honing, lapping, polishing and deburring machines / Abrasive tools and products / Machines and systems for use in surface technology (Hall 11)
- Coolants and lubricants · Safety and environment** (Light Yellow)
 - Cooling and lubrication/ Filters, air filtration systems, wastewater purification, protection systems / Disposal (Hall 11)
- Sawing · Transfer and special production machines** (Light Green)
 - Sawing and cutting-off machines / Sawing blades, Transfer and special production machines / Unit heads (Hall 17)
- Marking** (Dark Green)
 - Machines for marking and engraving (Hall 3)
- Precision tools** (Light Green)
 - Cutting tools / Workpiece and tool holders (Halls 3, 4, 5)
- Measuring technology and quality assurance** (Light Blue)
 - Measuring and testing technology / Quality assurance (Hall 5)
- Software · Digitization** (Pink)
 - Software for product development, machines and manufacturing / Digitization Area / umati (Hall 6)
- Industrial electronics · robotics and automation** (Purple)
 - Controls and drives / Electrical and electronic equipment for machine tools / Industrial robots, assembly and handling technology (Hall 6)
- Components · Accessories** (Magenta)
 - Mechanical, hydraulic and pneumatic components, spindles, gear units, couplings (Hall 6)
- Special Youth Show · Food Court** (Grey)
 - Special Youth Show/ Food Court (Hall 7)
- Startup area** (Purple Diamond)
 - Startup area (Hall 6)
